

Ode to America's Favorite Dog

By: Daniel

I love my
Little dog fluffy!
He is as fluffy
As the fluffiest
Cloud could be.
If you knock on the door
He will answer it.
He wraps his paws
Around my arm and
Hugs like anacondas
Hug their food.
If only you could
See the smile on his
Chin!

You are an
Amazing young
man. Your "smarts"
are balanced
with enthusiasm,
a strong work ethic,
and a good heart. That
is a winning combination!
